We have issues of the Baptist Times from 1961, but there are many gaps.  
The following list of years gives the details.

The issues from 1961 to 2004 are kept in store, but are available on  
application to the issues and returns counter in the Paisley Campus library.  
Issues from 1964 onwards may be borrowed and are available on inter-library  
loan. Issues from 2005 onwards are kept on the open shelves in the  
periodicals collection on level 3 near the Theology books (class 200).
